

North Farm Cottages

Kingfisher and Barn Owl Cottage – at a glance

- Each cottage sleeps four people in two bedrooms (one king, one twin) plus a bathroom, sitting room, kitchen-diner and separate WC. All linen, bath-towels and kitchen towels are provided.
- Wooden and tiled floors throughout with excellent insulation and underfloor heating. All on one-level to suit those with mobility problems or young children.
- Very well-equipped kitchens including washing machine, dishwasher, electric oven, microwave, fridge. A separate freezer is also provided.
- Family Bathroom (sink, toilet, bath with shower above) and separate WC.
- Sitting room with flat-screen television and DVD players plus there is a wood-burner in each sitting room for relaxing days and delightful evenings around the fire. Wi-fi internet throughout the properties (although the rural nature of the property does affect the speed).
- High-chairs, travel cots and lots of other equipment (all free of charge) to make travelling with young children easier. See [Kids at North Farm](#) for more details.
- Fully enclosed garden with BBQ, outdoor furniture and toys for younger children.
- Welcome hamper on arrival containing local produce, some from North Farm itself.
- Only eco-friendly cleaning products are used and guests are encouraged to recycle and compost waste during their stay where possible.

- Pets may stay in Number 2 (Barn Owl) by arrangement. See [Dogs at North Farm](#) for details.
- Groups can book both cottages together – each cottage can access the other through a garden gate (which is locked when cottages booked by different parties).
- Extra special treats from massages, catering for a celebration or locally produced ready meals can be booked in advance and delivered in your cottage. More details are available [here](#).
- Bike hire and livery services are also available - see [here](#) for more details.
- Non-smoking throughout.
